Please see email from Safe Chain. Do you want to take the call alone? Or have a 15 min call at 4pm with Jesse as Safe Chain has another call.

All this is urgent!

It has going out to potentially 100's of pharmacies claiming we are under investigation.

I have just talked to two that will not do business with us without a response. Can we send one to mark directly? What can it say?

Thanks

Hey guys,

Please see the email below from a guy named Mark Ey. He has sent this to several of our customers falsely accusing us of being under investigation with the FDA and recommending to not do business with us. I'd like a letter from you all to go out to him today addressing this. What do you think the best approach is here? Just this morning we had two customers call with concerns from receiving his emails.

Thanks,
CB

I was recently made aware of a pharmaceutical, medical supplies sales and marketing company, RxOut emailing CARE members offering brand, especially HIV, products at a substantial savings.

Please be advised RxOut is promoting Safe Chain Solutions, a wholesaler located in Cambridge MD. Safe Chain is NOT a VAWD certified wholesaler and is currently under investigation for distributing potentially counterfeit Biktavry and Descovy by the FDA.

Several CARE pharmacies received a e-Pharm/alert letter back on March 16th from Gilead about the issue (see attached).

I highly recommend you do NOT do business with Safe Chain Solutions
